Completeness of the Application:

The information in this form is prescribed in the Schedule to Ontario Regulation 547/06 made under the Planning Act. This mandatory information must be provided with the appropriate fee. If the mandatory information and fee are not provided, the County will return the application, or refuse to further consider the application until the information and fee have been provided.

The application form also sets out other information that will assist the County and others in their planning evaluation of the consent application. To ensure the quickest and most complete review, this information should be submitted at the time of application. In the absence of this information, it may not be possible to do a complete review within the legislated time frame for making a decision. As a result, the application may be refused.

Submission of the Application

An application form is required for each parcel to be severed, along with the fee of \$1600 per application. If Health Unit Review is required, an additional fee will apply.

If you have questions or need assistance in completing the application form, call the Huron County Planning & Development Department at (519) 524-8394 ext. 3 and ask for Ms Senga Smith, Land Division Secretary or the planner responsible for your municipality.
