Dear Mr. Thomas:

**Re: 436 Huron Road
Temporary Use Zoning By-law Amendment Application
Compliance with By-law 108-2015**

We represent Chris Zou, tenant of 436 Huron Road (the “**Subject Lands**”), with regard to the above-noted matter.

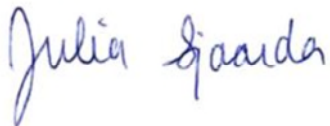

This letter is in support of the Temporary Use Zoning By-law Amendment Application to permit a licensed medical marijuana facility in the existing structure located on the Subject Lands.

We have reviewed By-law 108-2015, being a By-law to regulate the discharge of wastewater and storm water and connections to the public sewers in the Town of Goderich.

Our client has informed us that the proposed licensed medical marijuana facility is a dry operation, meaning that no wastewater or sediment is discharged to the public sewage system.

Our client agrees to abide by the provisions outlined in By-law 108-2015.

Sincerely,

Julia Sjaarda, RPP
