

Weekly Construction Update - Rebuilding Downtown Infrastructure Project

Date: Wednesday, May 27, 2026

Downtown Goderich Courthouse Square: No vehicle access between North St. and West St.

To maximize travel distance around the Courthouse Square, enter via West St. and follow Detour 3 when approaching downtown in a vehicle. Exit prior to North St. via **East St.** or **Hamilton St.**

Summary:

- Current Phase: Phase 3 (Impacting the Courthouse Square from North St. to West St.)
- Achievements:
 - All watermain connections are completed.
- This week soil cells are being installed:
Soil cells are underground support systems installed beneath sidewalks and roads. They provide trees and plants room to grow in healthy, loose soil. By supporting heavy pavement and infrastructure above, tree roots can spread naturally, leading to healthier trees and better stormwater management.

Reminder: NO VEHICLE ENTRY to the Courthouse Square via North St. or Colborne St.

Information:

- Active construction Monday to Friday 7 AM to 6 PM
- Sidewalks are open in front of businesses and the inner Courthouse Square
- Driving around the Courthouse Square remains in one direction; **ONLY** turning right while entering and exiting.

1. Parking:

- Open: West St. around the Courthouse Square to Hamilton St.
- **Parking ONLY:** Hamilton St. to North St. (Please reverse slowly and exit left onto Hamilton St.)
- Closed: No parking from North St. and West St. on the Courthouse Square.

2. Accessibility:

- Businesses: **ALL OPEN** with regular operating hours. Sidewalks are accessible on the outer and inner side of the Courthouse Square.
- Pedestrian Access Routes: Inner Courthouse Square sidewalks can be accessed via West St., Montreal St., South St., Kingston St., East St., and Hamilton St.

3. Closures & Timeline:

- **Roads Closed:** Around the Courthouse Square from North St. to West St.
